

Medical Insurance Grant Program

The Medical Insurance Grant Program provides assistance with insurance premium payments, co-pays, deductibles and out-of-pocket medical costs for individuals who are diagnosed with Hemophilia A, B or von Willebrand Disease who do not qualify for other programs offered at the state or federal level; such as, NJ Family Care or Medicaid. This program is partially funded by the Department of Health. In order to qualify for the Medical Insurance Grant Program, the following criteria must be met:

Grant Requirements

- Must be a New Jersey resident
- Must be diagnosed with Hemophilia A, B or von Willebrand Disease
- Must be Registered at a Hemophilia Treatment Center
- Must be on a homecare infusion program
- Meet the financial guidelines established by HANJ

For more information about the Medical Insurance Grant Program or to apply for the Medical Insurance Grant Program, please fill out the Initial Grant Application Request Form and send to HANJ or contact HANJ directly at (732) 249-6000.
