

## **CAMP INFORMATION:**

Children with hemophilia ages 6-16 are eligible to attend a week long summer camp program through two Paul Newman camps for children with chronic conditions. These week long camp sessions offer kids with hemophilia the opportunity to interact with others with hemophilia. Tuition is free of charge. Children in New Jersey can attend either the Hole in the Wall Gang Camp in Ashford, Connecticut or The Double "H" Hole in the Woods Ranch in Lake Luzerne, New York.

HANJ provides transportation to both of these camps for specific sessions. Please contact your hemophilia treatment center or HANJ for further information.
