### **Dr. William N. Drohan Scholarship**

This scholarship is offered by the Coalition for Hemophilia B in memory of Dr. William N. Drohan, a well-known microbiologist and educator who lost his battle with metastatic lung cancer at age 60. He was a pioneer in using molecular biology to produce recombinant proteins and a visionary scientist who dedicated his life to improving the safety of blood and blood products. His other important contributions included investigating prion diseases in the blood supply and developing treatments for traumatic injuries, including fibrin-sealant bandages to stem hemorrhage. Dr. Drohan also served as a member of the board of the Coalition for Hemophilia B and was instrumental in our Coalition's creation.

Amount: Four or more scholarships awarded each year – various amounts

Candidate: Students with hemophilia B or their siblings with a need for funds and have applied to and been accepted at a vocational school or an accredited college/university or graduate school.

Applications are open from March 1<sup>st</sup> to July 15th

### **Lime Connect Pathways Scholarship**

Amount: \$1,000 each

Candidate: Persons who consider themselves to have a visible or invisible disability (An individual with a disability is defined as someone who has or considers themselves to have, a long-term, or recurring, issue that impacts one of more major activities that other may consider to be a daily function); this definition also includes the perception among others that a disability exists. We know that 90% of disabilities on campus are invisible, and candidates with all disabilities are encouraged to apply. Applicant must be a high school senior in the U.S., graduating in the Spring or Summer of 2025 and accepted to, or applied and awaiting acceptance to a 4-year university or college in U.S. for the 2025-2026 academic year with the intention to be enrolled full-time in Fall 2025.

Deadline: Applications will launch in March and the deadline to apply will be early June.

### **Nat Lathrop Music Scholarship**

- Details: The Coalition for Hemophilia B is honored to present the Nat Lathrop Music Scholarship.
- Candidate: This scholarship is for students in our hemophilia B community, ages 8-18, who are pursuing an interest in music and because Nat's family appreciates the connection between music and mental health. We want this scholarship to be an opportunity for other young people to explore music as a source of comfort and a way to connect with others. Applicants must have hemophilia B.

Applications are open from March 1<sup>st</sup> to July 15th

- Info: How the Funds can be used: The intended purposes are to put music in kids' hands by providing funding for instrument rental/purchase, band/orchestra fees, music lessons, and band camp/performance camp. The Coalition for Hemophilia B also hopes to knock down the financial barrier too many kids experience when they show interest in music! Music is love, and we want to spread it all over!

### **Pfizer 2025 Futures Program**

#### **Impactful Internship for College Students**

Each summer, college students join Pfizer as part of our **Pfizer Futures Program (formerly Summer Growth Experience)**. The program, offers summer employment opportunities at various Pfizer sites in the U.S. It's designed to help create a meaningful internship experience for early talent interested in pursuing a career in the pharmaceutical industry. Projects span across all Pfizer businesses and our interns get to work on real, impactful initiatives, while building relationships and learning about Pfizer.

Interns will be evaluated against predetermined objectives and provided with valuable feedback that can help them further develop their skills and competencies. In most cases, interns will have direct accountability for a project and are included in their team's regular activities, including team meetings, design sessions, team-building activities, and meetings with internal and external stakeholders. Many interns also form long-term relationships with mentors, advisors, and peers. We are accepting applications from **October 15th, 2024, until December 15th, 2024**. Please note, applications for this program are reviewed on a rolling basis. For any questions, please contact [\*\*pfizerstudent@atriumworks.com\*\*](mailto:pfizerstudent@atriumworks.com).
